**SUISUN CITY MAN INDICTED FOR SENDING CHILD PORNOGRAPHY  
AND ORDERING CHILD PORNOGRAPHY VIDEO**

SACRAMENTO—United States Attorney John K. Vincent announced today that a federal grand jury returned an indictment charging David Lee Casey, 65, of Suisun City, with fifty-six counts of transportation of child pornography.

According to Assistant United States Attorney Camil A. Skipper, who is prosecuting the case, the indictment alleges that Casey used E-mail to transmit fifty-nine image files containing child pornography over a two-month period. In addition, the indictment alleges that Casey attempted to obtain a videotape entitled "Doctor's Appointment," the production of which involved the use of minors engaged in sexually explicit conduct. The indictment also alleges that Casey possessed numerous image files containing child pornography and seeks to forfeit computer equipment as property used to commit the offenses.

The charges are only allegations, and the defendant is presumed innocent until and unless proven guilty beyond a reasonable doubt.

If convicted, the maximum penalty under federal law for each count of transporting child pornography is 15 years imprisonment and a \$250,000 fine. The maximum penalty for each count of attempted receipt of child pornography and possession of child pornography is 5 years imprisonment and a \$250,000 fine.

This case was investigated by the U.S. Postal Inspection Service.
